You're receiving this if you're a current, prospective or past client, those that signed up at various events I've attended and the attendees of my teleclasses as well as many in my numerous networks. I just spent 2 days in a powerful workshop on "Spiritual Attainment to Wealth" at Mindfood Learning Exchange by Umar Hameed. Looking at how your childhood views and limiting beliefs and how to change this to more developed beliefs. I highly recommend taking this moving seminar. As a coach, I'll be your cheerleader/catalyst & happy to work with you and increase the Career/Life Transitions & balance in your life.

I offer a FREE 30 minute consultation-Check out my web site at www.ecareercorner.com Here's a quick way to help with decision-making-maybe leaving one career and starting your own business or making a career/life transition. Take a sheet of paper, draw a line down the middle and list all the reasons you should stay or go...Sometimes written evidence is compelling. Working with me as your coach, we'd develop an individualized action plan tailored to your unique needs.

Take care, enjoy the rest of summer & stay cool!

Alafia!
