"Life is not a race to finish first. Life is an endurance race to finish strong. Finishing fast & finishing first at the cost of finishing strong only produces short-term & hollow success--start acting successful with daily motivation and success goals and--finish what you started." T. L. Pakii

In January, many made resolutions to be broken by February as the frigid weather drove out all our good intentions. January was balmy and hope filled the air!. February is making up for it with a vengeance! We have been having record lows (i.e., freezing temps); and with the wind chill factor, those weather folks say cheerily, it's 6 degrees! The Winter Blues have hit and folks start feeling so down that they fell short of their goal!

I say, give yourself a Valentine of kindness, understanding and permission to start again--permission to not succeed--yep, permission to fail! Horror of horrors--I said the F-word!

January, at my [OPN](#) meeting, nearly 50 midlife/boomer women stood up one-by-one to proudly

declare their dream--what they wanted for 2007, and what they needed from us to help them achieve that dream. Thunderous applause greeted every declaration, and Ginny Robertson, the Founder, is compiling all four locations and emailing the list out so we can see how we might help. They'll be thinking of ways to help me reach my dream, too!

Part of my dream is already happening, welcome to our new readers--A BIG thanks for joining us--it is an honor to be of service to you! Please email me with any questions/feedback, and I'll answer in my next newsletter or blog! You can get back copies of my newsletters on my [website](#).

Online Community Helps Start-Up Entrepreneurs Create Breakthrough Profits

WomensCommunity.com Launches Entrepreneur Academy & Secret 3-Step Power Partnership™ System

Denise Trifiletti, Founder of WomensCommunity.com believes that both personal satisfaction and exponential business growth come from building 3 key Power Partnerships – Power Partnerships with:

1. Yourself
2. Your Time
3. Others

The first key Power Partnership is called a "Partnership with Self", and it is a foundational training requirement of their new Entrepreneur Academy. Free introductory teleseminars on the topic will be held on February 28th and March 6th at 8:00 pm EST. Register at <http://www.womenscommunity.com> –Upcoming Events.

If you discover and focus on your strengths and passion in your business, you will awaken each morning motivated to make a difference in the world. Then you must be highly effective and leverage your time.

WomensCommunity.com helps women to create informational products, and build systems so they can get out of working in the business. And finally, when you build Power Partnerships in all aspects of your business; with your clients, prospects, employees or contractors, and vendors and suppliers, you increase your sales, client satisfaction, employee productivity and profits. Power Partnerships affect every aspect of your business. And, when you put the three Power Partnerships together and at work – that is when you see exponential and powerful results.

Trifiletti put her partnership expertise to work to build the Internet's premier site for boomer women entrepreneurs — <http://www.womenscommunity.com>. Two of her leaders and partners, Carol Kerr and Marcia Merrill, have created the new *Entrepreneur Academy* and the soon to launch Transition Academy. "We have put our collective experience together to build a practical curriculum that is taught by successful Established Experts," says Carol Kerr, Managing Director of the Academies, and Vice President of Dare Dreamers LLC. "Women are naturally community- oriented and collaborative. We are bringing that collaborative energy together on-line to build success for each other." "The faculty is the best of the best," says Trifiletti. "Built by women for women, the virtual academy is developed in modules so they are customizable to individual needs, says Marcia Merrill, Co-managing Director of the Academies, and Founder of ECareerCorner.com.

"Leveraging technology we will make this Entrepreneur Academy available to women around the world," says Kerr. "Tele-classes, coaching, e-books, articles, discussion groups, recorded and downloadable teleseminars and access to top business coaches are in our toolbox." You must be a WomensCommunity.com member to participate in the Academy. For membership benefits and for more information about the Academy, visit www.womenscommunity.com or call Carol Kerr at 410-349-1397. Join the Women's Community and the Entrepreneur Academy only if you are serious about your future success.

Having an Attitude of Gratitude

February is supposed to be the time for appreciating loved ones, relationships, friends/family, it's ALWAYS that time! "HAVING AN ATTITUDE OF GRATITUDE"! I continue to stress this idea to my coaching clients--to look for the positives and choose to say thank you to the universe! My belief is everything's interconnected, and we can all have Abundance! Here's my abundance gift to you--

My last issue, I showcased an OPN sister (On Purpose Networking for Women--super organization of cool women!), and got such a positive feeling & feedback, :) I've decided to showcase someone each issue--a former student, a job seeker, a website you should check out--not 'cause I get anything--just giving you abundance!

Thanks for your support & encouraging words & for

referring others to my website, newsletter, gift certificates or coaching programs! Many of you have shared my newsletter & forwarded it to friends! Wow, how cool is that?

My good friend, **Patti Boyle**, a fellow OPN member, coordinator of my Law of Attraction Master Mind study group & great decorator. She has vision--turned a not great house into a cool home. Check her out as she launches another business--now; She also does data design--and absolutely great jewelry. She made me the chick pin I wear 'cause I'm the Transition Chick! Support her new endeavors--you'll be so happy you did! She has a decorator's eye with a shoestring budget practicality! Email boyle@boyledatadesign.com Say Hi from me! ; ;)

The "Radio Guy," Wayne Kelly--the radio expert helps you really hone down your media release (mine got me three interviews so far) to get you on the air & this teleseries I took has an online forum of classmates (major support & accountability!) + Wayne-- an honest, real guy, too! www.onairpublicity.com

Women Power Radio--hear my good friend & interviewer, Raven Blair Davis, she also has links to her podcasts-- www.womenpower-radio.com. And she is co-hosting a brand new show--Amazing Women In Business! She also created an MLM-Divas broadcast for network marketers! Her show interviewed me & was "my BIG break"! We now are great friends. And, stay tuned--exciting projects are in the works for working together.

On Radio 1010 in Baltimore, there is a show called Women's Expo Forum & Meet the Authors, hosted by Stephanie Poplar-Hamilton & Patsy Anderson, who created Face-To-Face Networking Group; and Patsy does all the events coordination/planning for the Women's Expo-- www.womensexpomd.com

Also, Talkin'Real for Women is a now a weekly radio show by OPN founder, Ginny Robertson & Ann Quasman, an OPN member--listen via podcast or Internet www.v1370.com If local, Wednesdays 6- 7 pm.

Folks who make me look good--You've heard me rave about my Branding Coach--well, she is amazing! Rosemary is simply mah-velous! :) And,

she really helped me expand my reach & be known as The Transition Chick! She has affordable groups about branding & developing your unique message. Say I sent you & get a FREE 30-minute coaching consultation! She'll only do this for her clients--so say, "Marcia sent me!" In the interest of full disclosure: I will get credit--no money.

My web designer extraordinaire Will Milham--had lots of praises about my site--all I did was the writing, he makes it and me look good! He totally redid his site! www.wmilhaminc.com And read the testimonials! Hint-one's me! :)

For Boomer Women--see this is my niche--so, lots are for women, sorry guys--tell your wives, girl friends, female whatever! This has a super forum, outstanding articles, book recommendations & more! And, Dotsie Bregel, the founder is speaking at a boomer women conference! www.nabbw.com

I'll save more for next time--appreciation of at least three people a day is my goal!

In Abundance! Here's my new USP tagline--thanks to my branding coach! Fall in love with your LIFE & your work!
