November Issue of Transition Chick Chat News

Dear Marcia,

"What you THINK & THANK about, you bring about!" - Dr. John DeMartine, famous from "The Secret"

Everyone is devoting their November newsletter to being thankful - hardly original! But, saying thank you **and** showing your gratefulness also, in turn enables each one of us to BE "great-full."

As I write this, my cat, Fidget, is curled on my lap asleep - not doing her usual keyboard samba! I am grateful her warm, purring affection nourishes me, as do my relationships with others! Twinkle, my other cat, is a great joy despite the fur her fluffy Maine Coon "fur-person" scatters everywhere!

And my loving husband, Clark, who many have witnessed carrying stuff in for me to set up for a trade show! His support, love and encouragement are priceless to me!

You've probably noticed this newsletter is very different, and has a new name. Let me know what you think! Thanks for your support and encouragement as I continue to transition and grow! Welcome to my 75 new subscribers, too!

My thank you to all of you is to share what I've learned as a Solopreneur who chooses to stay healthy! Read my article below for more tips on how to be both a happy AND healthy Solopreneur, business owner or employee!

Holiday Bazaar a Hit!

The Holiday Bazaar was a great success! Here I am standing next to my booth, dressed in my holiday reds. Lots of people showed up to visit/chat with all the exhibitors, and all of us had a terrific time!

One of the anthologies I was selling was *Grief, Loss & Healing*,
